The red man ...

Is this a place
to do something
like that?

A crystal orb in
such a dark
place

Well, if you want,
I can do it

Do you do much
fortune telling or
will?

Well, I can do a
few about things of a
few night things

Hey, that's not
fortune telling

Well, I don't want
to talk too much
to the future

Lady, didn't you see the sign outside? This place is for having virtual experiences

Ah, I saw it.

Do I have to wear some kind of glasses?

I can't see anything without it.

No, looking at the orb is enough.

Ah, does it show you what you want? Your future or something like that?

Yes, you can see your future in the orb.

It's a virtual experience!

You experience a diary tale world.

Are you going to be used?

...I just have to look at the crystal orb!

You should look at it
and think about what
you want

If you want to be a
princess, think
about a prince

I don't want to be
a princess

Don't you want
to wear dresses?

Some people
just have to
experience that

No

I want to meet a lover
as a normal woman

And get married happily after
many heartbreaks...
Stories like that are nice

I will show you
what you want.

What you want...

5
A long time
ago there
lived a witch
with her two
daughters.

What are you doing?
You should clean up.

What? Is this
a fairy tale?

If you're done cleaning
the kitchen, please
clean my room.

Ah... Is it
Cinderella?

Were you trying
to go out and
meet Roland
yesterday night?

Roland? Oh...
He's my lover.
I can find it.

But there is a
real Cinderella?

Maybe just
because you have
a pretty face, you
can live with a
lot of pain.

Anyway, give me
that apron. I've told
you that I wanted to
bake.

No!

Oh yes, is this real?
I'm pretty. It's not
like looking at a
mirror. But I can
say that I am
pretty.

That is a keepsake
from my moon.

Moon, I want to have
that apron.

You will have
that apron.

Your stepmother should
have died a long time
ago. When she sleeps
tonight, I will cut off
her head.

Be still, child.

What? He's going
to cut my head off
and tell me just
because of an
opinion?

Hey!
How can you say
something like that
in front of me?

Tonight, you must sleep
on the inner side of the bed so I
can tell her really

Okay

Why is this fairy tale
so cruel?

I'm sleeping
here.

Because I
have to sleep
on the inner
side.

the door

...Are they really
going to kill me?
No way...

Yes

Mom

Now I want to die

But...
if the nurse tells me,
she'll kill her real
daughter

she's dead

I should wipe her
up tomorrow morning
and show it to her.

Hahaha,
she'll be happy.

the door

Is...is this
a fairy tale?

I heard...I heard
that fairy tales
are cruel...but
this is...!!

Is it because
she's a witch?

Aaaaaa...
Aaaaaa...

No...I must go
to Pajama...

To my heart...

Roland.

Roland
wakes up.

So Hiss? Isn't that
my name? Isn't this
a fairy tale?

Roland, we
have to run
very quickly.

What is it,
So Hiss? On a
night like this

Ah... The girl
always has a
name in that
fairy tale.

My sword's been
used to kill
one last one killer I
see I can't do this
I'm not able

You know
what? I'm
not going to
do anything
to do with

What's wrong,
you're not alone
what happened then
going to kill it

Okay but I
think I should
bring the
major sword here

It's about time if
I was I have my
way to fight but
all the others are

Ah... A man
you've been
reasonably in
traces like this

What
it's all
in nothing
about it

You...
He took...

None, magic wand.
Please help me...

I can do something
like this with
something other
than my wand!

She the top
of the tree!

On the stairs.

The power of
magic...

In the
kitchen.

One thing
more...

Let's go,
Robert.

Look
at this...

Behold
my daughter
will like
it when she sees
the apron

Child, my
Daughter

Hey when
are you?
Come out
please

So quiet

Kyranne

My daughter?
What is that?

That girl? That
was the girl!
She named
my daughter!

Where,
where
did she go?

She open

I can see her
I can see...

She's
raining away.

It's scary. She can even
see everything like that.
When really it wasn't. She
even looks like me.

I'm so good for
but you want
to able to run
away from me

My heart why
wouldn't you
who has that many
a normal one?

How did she become
my daughter?

I'll watch you up
with those
many looks
on my face.

Followed.
my mother
to following
me.

Word, change
my beloved
Rational into a lake

And one note
is dark.
Please, Word.

the
Word

There is a way
to continue
the power of
the word

Change Rational
Rational's chest

I'm continuing on
Rational's lake

His chest .

You, we
were
in love .

Like the people
in fairy tales

We were so
in love that
we'd run away
together

and no one'd be
disturbed by
the sudden
evil change.

The people

Harold.
He has
changed
his name.

Miss Abbott,
shouldn't you
be at home?
Come and see us.

Come
soon. We
don't see you
often.

The year
starts. I'll be
back
by then.

Oh, I'll go
back for you.

Shin
change

Wand, wand...

Please turn me
into a rose.

And him into
a violinist.

But why is she
doing all the
work? Roland
is too passive.

Well because she's who's
to not other than
be talented
being important!

Oh, perhaps that you
have to be Roland!

Yeah.

Maybe!

After that
changed from
a flower
back to me

Oh, can I
play that
pump flower?

Oh, sure.
Then I'll
play you
a song.

Oh

This is a
magical
song!

Step 1'

ADD The flower
on the tree

Step 2'

Step
playing!

Stop it!

And the
witch died
just like that.

She died
while
dancing.

Yes.

We're finally
free from
the witch.
Relieved.

Yes...

But why
do you
look sad,
Rafael?

I'll go to my
father and
arrange our
wedding.

You should
wait here...

You, I'll turn
into a red rock
so nobody
can find me.

Yes, until
you come.

We are the victors
all time who
conquer the
landscape of love...

Yeah.

Yes...

He'll definitely
open back.
This is a fairy
tale too surely...

But Richard felt
in love with
another girl
back home.
Her husband
knew and there
he stayed all
about his life.

...What?

What, what?
What is this
suddenly? This is
a fairy tale right?

I can't marry you
because my
mother doesn't
allow it...

That's in the
hospital and sick.

That's not because they
are evil as the witch
they doing all of that
just to persuade you.

Because of
your witch-like
mother, I even
had an abortion

I'll wait until
your mother
recovers. Let's
be patient.

But I love
you and that's
why I'm waiting
all night...

...I don't know...

I don't have any
confidence
anymore...

He said that he
doesn't know,
but he had another
reason...

His reason was only
she was strange to
him by his parents
the close her body...

You were one of
the virtual world.
Are you coming
back to reality?

Is it the
end?

No, there's
still more...

In this story,
really a fairy tale?

If you're curious,
you can find
the original work
and read it.

...I'll see the
rest of it.

Until the
end

The happy ending
of the fairy tale

And, then every
fairy tale
has a
happy ending!

Wand
wand
wand
wand...

Wand
wand
wand
wand...

Change the
wand into a flower
anybody
can pick.

So I've kept
waiting for
him...
but he never
came back.
After years on earth,
she changed
herself into
a flower.

100

A flower...
anybody
can pluck...!

Yes, right...
Please
see me,
anybody

You should
have known
what would
happen.

Please wait
and I
will join
you.

I don't care
what...

See me
pathetically
abandoned.

Who is that
woman?

I just met her
because my
family introduced
her to me.
Don't do that!
Be rational.

You know
what
my house
is like. I can't
marry you
like this.

I don't
care
who...

Wow, that
is a very
beautiful
flower

It'll be nice if
I take it home

Aah, he's
a nice
looking
shepherd.

Would this
person be okay?

Hello, excuse me,
how do you mind
having a cup of
tea tonight?

Sure?

Ah, you
reading
a book now

It's been an hour and
a half hours and
you're still on the
same page, huh?

Yes?

Must just
be reading
the same book
and a half?

It's not
primary. I'm
used to
stronger books
now.

Here's
my ID.

Ah, you a
teacher
about our
age too.

I just
like you.

Here's a little tale
written hundreds of
years ago, but the
same story as today

Is this
what every
woman feels?

Is the woman
in that fairy tale
going to find
something precious?

Yeah, it
looks
promising

Oh, somebody
popped
her out again.

Can I
change
the fairy
tale?

Like the
American fairy
that is usually
changed

Actually I never
understood that
first time I
told to you.

Really is that
fairy tale that I
understand
as well.

I'm finally
making your
smile
so like.

When
you smile,
you're really
happy.

Yes, what
is it?

Sfx: throw

Sfx: appear

Even an
elephant
can
understand...

But, no big
secret,
I like you.

would
you marry
me if
you can?

What?

Hey, hey, it's
too sudden!

What?

I want to marry
you, So Her

Wait, I'm...

I know that
you have
some kind of
a dark past

But I don't care.
I've liked
you since
the beginning

You don't have
to doubt
me, please
trust me
I would be faithful
to you
and, I'll stay
in forever

I don't know why this
lark came to me.

But, is this
really lark?
Or...

No,
Shepherd...

A trap...?

My beloved
Roland
abandoned
me.

I'm sorry,
Shepherd. Please
let me stay
here like this.

No...

I can't
forget him yet.

- I think I
have to keep
apologizing if
you're like this

Our hearts can't
forget our loves...

That Roland
is going
to marry
another girl.

Even if he marries
another girl?

Even if he
has the
wedding
date set?

On the day of
Belmont's wedding,
the reason
for the
crowd above
the wedding,
the crowd
above there

Because of the
traditional custom,
everyone has to gather
around and hope every
celebration in the
wedding couple. It is
tradition left to them
to choose how to go there.

Oh... How
can I sing a
song at his
wedding?

That is
too
much...

How did
you lose
such a
good guy?

You're not going to
his wedding, right?

I'm going to see him
for the last time

You're crazy!

5th: get up

I know
this voice

It's my true
bride's voice.

Roland?

Roland?

I
remember
now

I don't
want
any other
bride.

So Hee is
my bride.

Here, all items
for the wedding
have
thoroughly slept

Oh...

That is
good...
growth

Have a good
honeymoon!

So...

In the end, the Royal
So She married her
beloved Richard and
had a happy life

Her misfortune
ended and a
new chapter of
happiness began

So Hee...

Are you
truly happy?

I don't want
any other bride

I know... In reality,
something
like that can't happen...

I don't care if
it's a fairy tale
or a lie or just
empty words...

I just
wanted
to bear it...

'I don't want
any other bride'.

My beloved
Roland...

But for the rest,
the girl
has a happy
ending

Yes the
story ended
with a happy
ending

What is an
ending,
it means
your story

Did Natalie
come back to her
husband who
was happy?

But how could
Natalie leave her
for another woman
just like that?

He would
be surprised by the
fact he
wasn't the
winner
He just felt his
another woman's
attention.

Is being patient and
waiting for him
until the end the
moral of the story?

Who picks a fiery
tale story, huh?

Probably talks about
what happens
between the two
in a happy tale.

The pain of
betrayal when he
married his mother
roommate.

Her painful
time waiting for a
lover who's now
stealing her life.

The painful heart of the
stepson who had
his first love disappeared
behind the curtain.

The mother who
was abandoned
at her wedding day.

Scrupulously
honest, honest
the mother
"the mother"

Heath knew the
happy ending
wasn't the
best.

One daughter was kinder
to my parents and
except her will, but my
mother is still alive.

Oh, I want to live
comfortably now.

There, if you want that girl
Evelyn, I could understand...
later saying that he wants
to live comfortably.

I was tired
of it too...

...but...

I still
love you.

We didn't even
make it to the altar
yet married in "What I
and I like this)

The marriage
to put a
formality if
you want
to marry me
... If you
could wait
for me...

You... just if he
didn't say it...

I don't want
another bride.

Those words are
not the same...

This is
my reality.

In this world of
may this is the
happiest ever when
we love each other

Only for
the happy tale
about her way
if there I want
another bride

Do you know
what this is?

What is it?

Your
stomach
gives it
out I would
say like

I just kept it.

I thought this was the
proof of our love

I don't even
remember
the photo
really

Don't worry I
won't tell
your wife.

When my baby,
who didn't have
a definite form
yet, died—

Everything
must
have
ended then.

No example

When you're
backing
away like that...

Oh, dear

Love like this
better when
dying? I know
it's stupid but
dying's more
easy in this
world. That's the
reason I
resurrected.

Our love didn't
really exist.

Hard love.
Love? Well...

I understood if
you're getting to
run away from
this hard path.

I understood
that this isn't a
dream like fairy
tale, but reality.

But don't drag me
into your escape act.

Never appear in
front of me
again, you
weak coward.

The happy ending
in real life
is different from
a fairy tale.

In a fairy tale, you
just need a wish.

But this happy ending
is really hard to get.
That's why you should
beware people like me.

And I should
find a new life.

The shepherd
should also
find another
partner.

And the bride who
married, should have a
hard time trying not
to get married again.

Well...it's up
to you to
figure out if
this is fun!

Yes, very.
Virtual
reality is
amazing...

Thank
you.

Someone I feel
responsible for is

I want to protect
that world...

I don't want
another bride!

Yes... It will
take a long time
to hear those
words, even if it's
just a fairy tale,

I feel like I was
dreaming...
for a moment,

End of Beloved Roland.
